

# shape the world with **Turkish** steel

Bozdaş Family owned Kanat Çelik performs in the steel industry as a manufacturer, trader and stockist since 1980s. As a member of the third generation of an industrialist and merchandiser family who performs since 1950s, our main aim is elevating our success in domestic market and having a voice in the global area by providing Turkish materials to the world.

To reach this aim, our basic principles are ethic and added value.

For this purpose, Kanat Çelik operates in the UK market with the website [www.steelbars.co.uk](http://www.steelbars.co.uk). Our marketing and sales team is based in London, and all pricing, sales and supply operations are handled by Kanat Çelik's Istanbul headquarters. (Please visit: [www.kanatcelik.com](http://www.kanatcelik.com))

S355J2 - S355J2G3

**1020 (C20) (EN3A) (070M20)**

1040 (C40) (EN8) (080M40)

**1045 (C45) (080A42)**

**4140 (42CrMo4) (EN19) (709M40)**

4340 (34CrNiMo6) (EN24) (817M40)

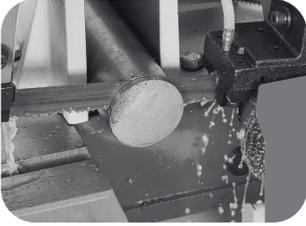

**8620 (21NiCrMo2-2) (805M20)**

5115 (16MnCr5) (590M17)

**1213 (11SMn30) (EN1A)**

12L13 (11SMnPb30) (EN1APb)

**52100 (100Cr6) (EN31) (535A99)**

## SERVICES

### Cutting To Size

steelbars.co.uk has 10 band saw machine at its cutting center.

We provide cutting to size service for sizes 20 mm up to 1010 mm

### Testing

#### Mill Test Certificates

We provide inspection certificates (2.1, 3.1) in order to have full traceability regarding country of origin and manufacturer

#### Ultrasonic Tests (NDT)

On request we can arrange testings of the products by ultrasonic in order to ensure the highest quality.

#### Third Party Inspections

On request we can arrange all necessary approvals by classification and other audit companies (TUV, SGS etc)

### Packaging

We work to protect products through the packaging process and minimize any damage that may occur during transportation.
